

Boards and Commissions

Simplified board management for local government

750 Hours

of staff time is spent each year managing board processes?

The Boards and Commissions Advantage

- Sleek and intuitive design makes it easy to learn
- Flexible configuration to mold to your specific needs
- Built-in email automation reduces repetitive work
- Advanced permissions settings enhances security and streamlines task management
- Accessible design ensures everyone has equal access to board information
- Integrates with govMeetings agenda management solutions VoteCast, govDelivery, and more.

Easily Manage Advisory Boards and Fill Seats Faster

An end-to-end board management solution for municipalities and counties, Boards and Commissions helps clerks and board liaisons save hundreds of hours each year while filling board seats with qualified candidates faster.

What If You Could...

- Save staff time by automating manual board management tasks and communications?
- Increase qualified applicants and fill board positions faster?
- Improve transparency and accessibility by ensuring your webpage is up to date and compatible with sight readers?
- For the first time, we've been able to fill each board position before it expired – up to 98%!"

Bobbi Pirkola, City Clerk, Duluth, Minn.

With Boards and Commissions You Can...

Simplify the board management process

- Get an instant view of board position statuses, member demographics, and upcoming vacancies with an intuitive dashboard.
- Narrow in on qualified candidates automatically.
- Instantly generate reports on candidates, vacancies, boards, appointments and more.
- Customize and automate board-related emails to eliminate manual email communications and complete required documentation faster.
- Automatically update your boards and commissions web page in real-time without the need for IT resources.

Make applying easy, fill seats faster

- Display and promote vacancies on your existing website in real time.
- Accept applications online with the ability to attach all required documentation.
- Allow applicants to save applications and complete in multiple sessions.
- Remind applicants when an application is abandoned.
- Easily process, share, and manage applications.

Securely store and track board data in the cloud

- Move board records online for secure, accessible storageapplications, reports, and documents.
- Track board and member statistics, such as demographics.
- Make budgeting easy with unlimited data, boards and users.
