Legistar

## Legislative management software for large cities & counties

DID YOU KNOW

6 Days

of staff time is **regained each month** by automating legislative processes with Legistar?

The Legistar Advantage

- Most-trusted enterprise solution-relied on by 70% of the largest cities and counties in the U.S.
- Highly configurable with unlimited workflows.
- Easy for everyone to use.
- Built-in support.
- Granular user permissions.
- Seamless integrations with govMeetings Boards and Commissions, Live Cast, Meeting Efficiency, VoteCast, govDelivery, and more.
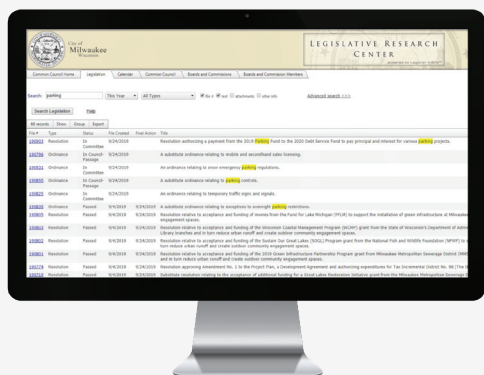

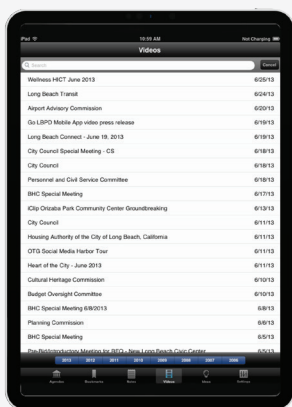

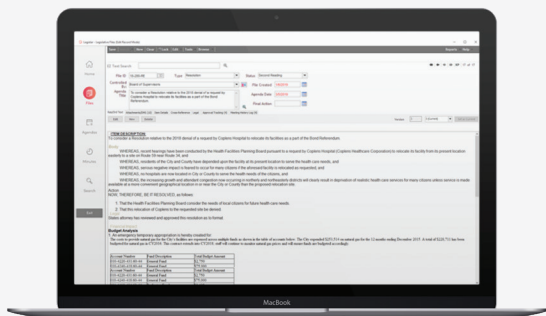

Automate Complexity With Legistar

With Legistar you can turn long, complex legislative processes into quick, simple ones. From tracking decisions and automating approvals, Legistar securely handles the most demanding processes from inception through approval. It's why Legistar has been the leading legislative solution in North America for 30 years.

What If You Could...

✔ **Regain 100s of hours of staff time** by automating the end-to-end legislative and meeting processes?

✔ **Go green and stretch budgets** by cutting out paper and printing costs?

✔ **Improve transparency and accessibility** by providing a modern, digital meeting library on your website?

✔ **Decrease phone calls and emails for public information requests** by making meeting and legislative information easily accessible online?

❝ If you're considering Legistar, it's entirely worth it. The product embodies internal trust and transparency. It's where everything comes together. If you want to break down silos, this is a great way to do it."

– Linda Nemeroff, AC Transit District Secretary

With Legistar You Can...

Streamline the process – from introduction to passage

- Easily create legislative items with Microsoft Word-compatible templates.
- Quickly gain approvals on legislative files with an automatic workflow system.
- Notify users when new items are ready for their review.
- Publish agendas and minutes to your website in one click.
- Complete tasks from anywhere with online and mobile access.

Move from paper to digital with Legislate

- Take notes, bookmark, and mark-up documents — each board member has their own digital agenda version.
- Access meeting agendas and supporting documents from anywhere, on any web-enabled device.
- Prepare for meetings with modern research tools and quick access to past meetings, including recorded meeting videos.
- Save $1,000s on paper and printing costs every month.

Optimize accessibility and transparency

- One-click publishing to an online web portal.
- Comprehensive legislative history for increased transparency and improved internal research capabilities.
- Advanced legislative research tools for fast and accurate retrieval.
- Subscriber email notifications for increased awareness and engagement.

Busy Clerks Choose Legistar
